MEMORANDUM FOR: General Truscott

SUBJECT : ESCIDs

1. We have completed proof reading the galley proofs of ESCIDs Nos. 1 through 5 received from AD/OCR. With a change in the effective date and two other minor word revisions, these proofs will be completely in accord with the drafts approved by the ESC.
2. I have checked the problem of transmitting ESCIDs overseas with the IG, and it appears that the problem can be solved by transmitting to the Executive Secretary, ESC, a memorandum along the lines as that shown as Tab A.
3. It is recommended that at the next IAC Meeting, the members be requested to inform your office of the following:
 - a. The number of complete sets of ESCIDs 1 through 5 they will require for use by their Washington headquarters.
 - b. The number of copies of each of these ESCIDs they will require for transmission overseas; and in each case, a list of their addressees.
